

Buying & selling a home just got easier

Buying and selling a home can be a complicated process. That's why dotloop created a solution that allows everyone involved in a deal to work better together to complete, sign & share the documents online. We understand life doesn't stop when you're buying or selling a home and with the flexibility and security of dotloop, it doesn't have to.

Always secure

You can rest assure that all your personal information and documents are private and protected within dotloop. To learn more, visit www.dotloop.com/security

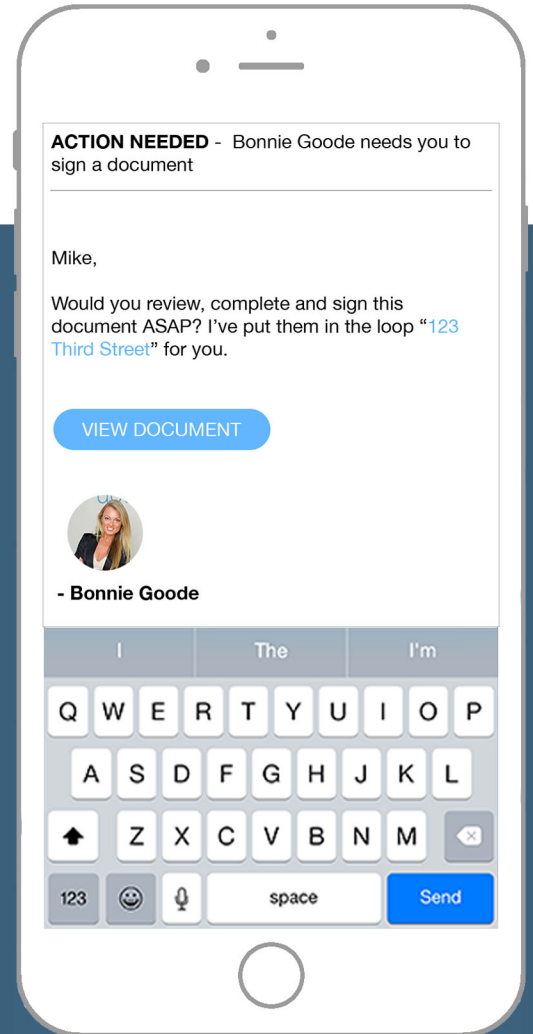

Easy

dotloop's simple design allows for an easy to navigate experience when buying or selling a home. No noise, no distractions - just review, sign and share documents.

Mobile

Today you manage most of your life while on the go and need to use technology that matches that lifestyle. dotloop's iOS and Android App enables you to do just that.

Logging into your account for the first time

1. You will receive an email to notify you when there are documents for review. Open it up and click on the **VIEW DOCUMENTS** button.
2. Review and eSign the document(s) - then press **CONFIRM SIGNING**. This will share them back with your agent.
3. After sharing the document(s) back, you will be prompted to create a password. This password allows you to log into dotloop anytime you want to access the documents.
